

# CLICK AND COLLECT

## Tents And Signage Solutions

The lightweight aluminium Zoom+ Pop-up tent is ideal for click and collect areas. Tool-free for rapid deployment with fully printed canopy, backwalls, full and half side walls make your click and collect tent easy to spot.

We have a vast range of social distancing guidance products for use inside or out to aide with queuing, wayfinding and communication. Two perfect examples here, the Trojan Sign wayfinder that you can weight with water or sand, and the robust and sturdy Monsoon A-board.
